The goals and objectives of this course/training/program:

Describe the physical, cognitive, social, and emotional benefits of yoga and mindfulness-based interventions for children as reflected in the growing evidence-base.

Share mindfulness activities, yoga postures, breathwork, games, songs, relaxation and visualization techniques for youth 2-12+ maintaining a focus on safety, diversity and inclusivity.

Create developmentally-appropriate and engaging yoga and mindfulness lessons that promote whole child development while providing children with life long skills for success.

Effectively modify and adapt teaching for a variety of settings.

The types of activities included:

Knowing the what, where and why of yoga and mindfulness

Yoga posture practice and variations for accessibility

Breathing techniques for self-regulation

Visualization and relaxation techniques

Songs, games and techniques to build group connection

Lesson planning

Practice teaching

Tips for teaching and best practices
